- During the August meeting (8/16) a judging seminar would be given by Mike. Mike will be the Chief Judge at the show.
- John Davis presented an excellent tutorial on making window netting for racing vehicles. Thanks, John.
- It was decided by the members that Civilian Vehicle, any scale, would be the next build. The completion date and judging would be at the September meeting.

Show and Tell

Joe brought in a Tamiya P-38 E/F that is in work, Hope to see it complete at the next meeting.

Eat showed us his German float plane. A 72 scale Blohm and Voss BV 138B. The ring is a magnetic device to detect mines.

The other Joe (Baxter) brought in his triceratops

Jason brought in his Stug IV made to look like an American tank destroyer during the Battle of the Bulge.

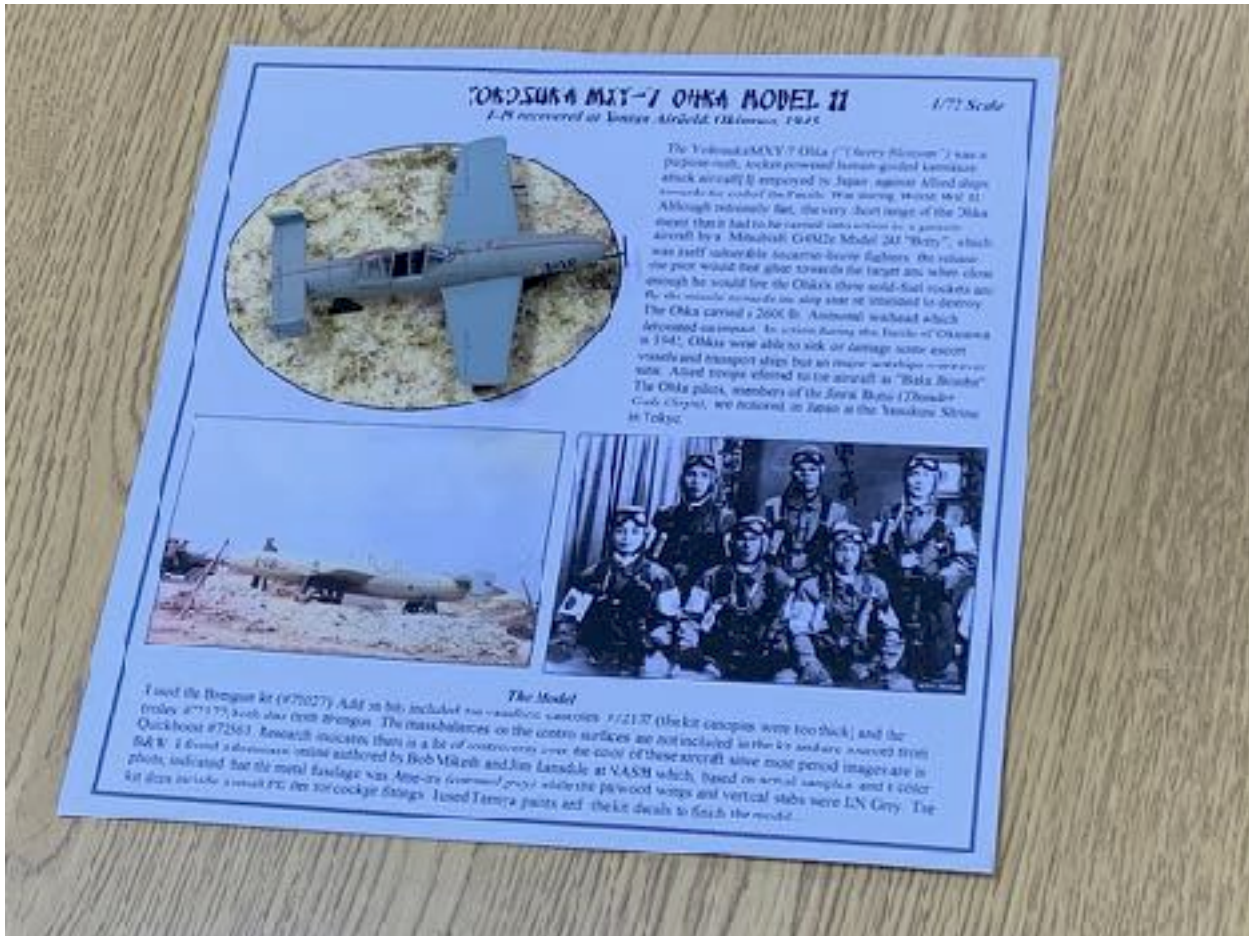

Dayne brought in a very well done Tamiya F-14D. Dayne polished the canopy using Turtle Wax rubbing compounding a sanding sponge.

My apologies to Sean for not getting a photo of his M3A1.

Mike F brought in a Ohka Baka Japanese suicide ticket from WWII. Lots of research to get the colors correct.
